

CHILD SEXUAL ABUSE MUST BE STOPPED!

*1 out of 3 girls will be sexually abused before the age of 18
1 out of 6 boys will be sexually abused before the age of 18*

Child Sexual Abuse is the root cause of many other devastating problems.

60% of first teen pregnancies are preceded by an incident of CSA.

Young girls who are sexually abused are 3 times more likely to develop psychiatric disorders and/or substance abuse problems in adulthood than girls who are not sexually abused.

Male survivors of child sexual abuse are 70% more likely to seek psychological treatment for issues such as substance abuse, suicidal thoughts and attempted suicide.
